SOUTH SAN FRANCISCO, SAN MATEO COUNTY, CAL., SATURDAY, JANUARY 12, 1907,

NO. 2.

DEATH SUMMONS BELOVED PRELATE

**ARCHBISHOP MONTGOMERY
DIES AT THE ADLER SANI-
TARIUM IN SAN FRANCISCO.**

**Funeral to Take Place From St.
Mary's Cathedral on Monday and
Interment to Follow at Holy Cross.**

The death of Archbishop George Montgomery was announced with shocking suddenness by the tolling of the Cathedral bell last Thursday afternoon. The beloved prelate passed away after an operation for appendicitis in the Adler Sanitarium at the corner of Broadway and Franklin streets, San Francisco. Around his bedside were gathered his cousins, Richard Montgomery, of Oakland, Prof. John Montgomery of Santa Clara College, and a nephew, Charles Montgomery.

The Archbishop went through an operation on Saturday last and until Wednesday afternoon his condition was deemed favorable. Complications set in, however, which soon convinced the physicians in attendance that death was inevitable. He passed into a state of coma Wednesday night from which he never regained consciousness.

The body of the Archbishop was removed to the chapel of the Cathedral where it will lay in state, watched over by the members of the Knights of Columbus. On Sunday the remains will be transferred to the Cathedral proper, to be followed by the funeral on Monday. Interment in Holy Cross Cemetery.

The Archbishop was not only beloved by the clergy and laity of his own faith, but Protestants and Hebrews delighted to do him honor. His loss, is most keenly felt by Archbishop Riordan, whom he aided as coadjutor. A strong bond of love and sympathy had grown up between them.

Archbishop Montgomery had devoted himself to the cause of temperance and Christian education. He was the founder of the League of the Cross, which made temperance its main purpose. He gave constant personal attention to all charitable enterprises of the church and had taken upon himself manifold duties which he zealously fulfilled. Throughout his career in Los Angeles and San Francisco Archbishop Montgomery was regarded with a tender reverence.

MRS. MASSOT DIES SUDDENLY.

The people of this town were shocked on Thursday morning by the sad news of the sudden death of Mrs. Angelina Massot, wife of Joseph Massot, of the Baden Hotel. On Wednesday evening Mrs. Massot was as well as usual. About midnight she was seized with sudden and violent illness. The doctor was hurriedly summoned and everything medical skill could do was done, but to no avail, and about one o'clock Thursday morning she expired. Angelina Massot was born in Sunny France, and was at the time of her death 43 years of age.

She was a woman of great energy and industry, and held in high esteem by all her neighbors.

The funeral will be held from the Baden Hotel on Sunday, January 13, at 2 o'clock p. m. Interment at Holy Cross Cemetery. Funeral car from Linden and Grand avenues to the cemetery.

Mrs. Massot leaves a dearly beloved husband and daughter to mourn her loss, and both have the heartfelt sympathy of the entire community in their sudden and heavy affliction.

MARTIN ELECTED VICE-PRESIDENT

**Committee Nominees Defeated in
Heated Contest in Union League
Club.**

After a friendly but warm contest in which 285 votes were cast W. J. Martin, of this city, was elected second vice-president of the Union League at its annual election held in the club's quarters, Franklin and Sacramento streets, Tuesday. Martin was one of the three candidates placed in the field in opposition to the ticket named by the committee and received the largest majority of the three. One of the opposition ticket, W. F. Cordes for director, was defeated by Geo. X. Wendling.

A great deal of interest was manifested throughout the day and as soon as the polls opened at 1 o'clock several automobiles were sent out and kept busy for the rest of the day scouring the city for delinquent members and bringing them to the club to cast their votes. The opponents to the regular ticket were W. J. Martin, Frank W. Marston and W. F. Cordes. Marston and his opponent for secretary, A. C. Schlesinger, were close contestants.

At the close of the election the president, Geo. H. Pippy, was presented with a massive set of silverware and a gold watch as a token of esteem in which the retiring president was held. Mrs. Pippy was presented with a diamond ring, through her husband from the entire membership of the League.

The Union League Club has a membership of 1500 and is the strongest club on the coast. Mr. M. H. De Young, the new president, is the well-known proprietor of the San Francisco Chronicle.

RAILROAD ASKS FOR MORE TIME.

**Supervisors Grant Repre-
sentatives Two Weeks
to Show Cause.**

Representative of the United Railroads appeared before the Board of Supervisors last Monday in answer to a citation to show cause why the company's franchise should not be cancelled for not repairing the county roads near Colma torn up by the company's construction gang some month's ago. The representatives made no promises but asked for an extension of time to investigate the matter, claiming that the company was doing all in its power to fix up all the roads and streets both here and in San Francisco.

The county roads about Colma have been in a frightful condition for some months and since the rains have set in it has been almost impossible for teams to travel on any of the roads upon which the United Railroads has its trucks. The company was willing to make repairs with inferior rock, but when Supervisor Eikenkotter objected all work was suspended. The board is now determined that the necessary repairs shall be made and unless some move is made within the next two weeks the board will probably rescind the franchise.

Miss Lizzie Wenke of Half Moon Bay has been visiting Misses Edna and Ruby Wilson in Redwood City during the past week.

Misses Edna and Ruby Wilson of Redwood City were guests of Mrs. Werner during the early part of this week.

CITIZENS FAVOR INCORPORATION

**ENTHUSIASTIC MEETING HELD
AND BUSINESS MEN EXPRESS
THEIR VIEWS FREELY.**

**After Heated Discussion Committee
Recommends that Factory Sites Be
Left Out of Town Limits.**

The Board of Trade of South San Francisco last night, January 10th, held a most enthusiastic and well attended meeting, in conjunction with the committee on the question of incorporating the town of South San Francisco. Almost all the prominent and influential citizens of the town were present and favored the meeting with a generous expression of their views on the subject. Those in favor of incorporation right now were very clear in the majority. The whole community seems to feel the desirability of the project and the main question mooted was as to the practicability of venturing upon the undertaking at once or delaying for another year or more.

Some discussion was aroused over the possible boundaries or limits, but this was practically settled afterwards in committee.

The committee on incorporation met immediately after the adjournment of the Board of Trade meeting and after discussing the merits of the case again, resorted to a vote which was almost unanimous in favor of immediate incorporation, with the condition annexed that the factories be left out and confine the limits to the town proper. This, it was shown, would yield an ample revenue for municipal purposes and accomplish the benefits desired without turning away the prospective manufacturer.

The committee on incorporation consists of the following-named residents: Dr. H. G. Plymire, E. E. Cunningham, Ambrose McSweeney, Edward Pike, J. R. Luttrell, Mr. Healey, Thos. Hickey, Andrew Hynding and Thos. Connelly.

A sub-committee was appointed, consisting of Dr. H. G. Plymire and Andrew Hynding, to find out as nearly as possible the probable amount of revenue which the prospective municipality will derive, after which an adjournment was taken.

SAN BRUNO HAS NEW SCHOOL HOUSE.

The new school house at San Bruno Park has at last been completed and school will open there on January 14 with a large attendance. The little building reflects much credit upon the citizens of the community and shows what can be accomplished when every one stands together for the same common end.

It was several months ago that Hensley, Green & Co. contributed \$1,000 for the purpose of erecting the building. With this as a starter the people of the Park soon devised ways and means to raise more money and each resident of the place was asked to give a certain number of days' labor upon the building until it now stands completed, a monument to those who so generously contributed towards its completion.

As a means of raising more money for the building a dance was given in the school building a week ago Saturday at which time \$30 was raised. The dance was under the management of J. Custer, and all enjoyed a general good time.

Advertise in your home paper and you are sure to be happy.

T. B. BRODERICK DIES OF EXPOSURE.

**Proprietor of New Monarch Stables
is Found Dead in the Rear of Adobe
Hotel by His Friend.**

T. B. Broderick, proprietor of the New Monarch Stables, Seventeenth and Valencia streets, San Francisco, was found dead in the rear of the Adobe Hotel in the San Pedro Valley last Saturday morning. The remains were brought here and a coroner's jury was summoned by Judge Cunningham to determine the cause of death.

Broderick had been ill for some time and went to the San Pedro Valley for a few weeks' rest with friends. He apparently was regaining health rapidly and Friday night sat up till a late hour talking with his friends.

The next morning Mr. Flemmings, proprietor of the hotel, visited the back yard, where he was surprised to find the remains of Broderick, half clad, lying about ten feet from the rear of the building. From the position of the body it was concluded that Broderick had evidently had an attack during the night and wandering into the back yard had died from exposure.

J. L. Debenedetti is now arranging to take hold of the new hotel project and will soon be out among the townspeople asking for subscriptions. It is believed that this project will meet with great success and the hotel, if properly handled, will be a paying investment from the start.

The Woodmen of the World Progress Camp 425 desire to thank the Eagles for the use of their hall. Also the members of the band who so generously devoted their services.

BISHOP HOLDS CONFIRMATION

**Several New Members are Added to
the Flock of the Grace Episcopal
Church.**

Ordination services were held last Sunday evening at Grace Episcopal Church at which time Bishop Nichols received into the church nine new members.

The church was prettily decorated with evergreen and flowers, and presented a beautiful service. The ceremony was a very impressive one. Bishop Nichols remarks being very appropriate and encouraging.

Those received into the church were Mrs. N. S. Taylor, Mrs. J. Eikenkotter, Mr. E. N. Brown, Anna Abeling, Emma and Lena Eikenkotter, Jack Martin and Howard Werner and Miss Grace Martin.

It is with great pride and with thankful hearts that the faithful few of the Grace Mission, who have labored so patiently ever since there was a mission established here, now see some of the fruits of their labor. The doors of Grace Mission will always open to the stranger within our gate.

The butcher shops in town will close every evening at 7 o'clock except Saturday when they will remain open until 9.

The Rev. Arthur C. Dodd left Wednesday evening for a visit with his parents at Oceanside in San Diego county. His visit will last about two weeks, and he has been looking forward to this trip for some time. It will be his first visit home in two years.

COUNTY OFFICERS ARE BANQUETED

**FIFTY GUESTS ENJOY SPREAD
SET BY PROPRIETOR OF ST.
CHARLES HOTEL.**

**W. J. Martin is Appointed Toast-
master and Calls Upon Retiring
Members for Speeches.**

For the first time in the history of the county the county officials, both new and old, met together at a banquet last Monday and discussed at length the past and present of those seated at the table. The banquet was given by Bert Sheehan, proprietor of the St. Charles hotel, and besides the county officials a number of prominent citizens were invited.

The dinner was called for 2 o'clock and about fifty guests were present. W. J. Martin of this city was chosen toastmaster and called upon those present to tell how they got into office. Martin filled the bill well, and before calling upon an official never failed to spring some "josh" that kept the guests in a continual uproar of laughter.

Responses were made by Supervisor MacBain, Treasurer Chamberlain, Assessor Hayward, Tax Collector McCracken, Auditor Underhill, School Superintendent Cloud, Clerk Nash, Recorder Johnston, H. W. Schaberg and others.

Judge Euck was the orator of the occasion and spoke at some length upon the excellence of the feast and the generous spirit which prompted the proprietor to make such an occasion possible. He also spoke upon the record of the county officials and stated that while other counties had their scandals this one was looked upon and spoken of as untarnished.

District Attorney Bullock closed the festivities with an address in which he reviewed his work as a county official and referred in the most cordial terms to the assistance that had been generously given him by the board of supervisors.

Kelly Makes Good.

Pete Kelly, who has filled the office of jailor under Sheriff Mansfield for several years past has launched out as railroad detective and in that capacity made his first arrest last Sunday. A freight car was entered at Sunnyvale and a quantity of merchandise taken. The thief left his penknife behind and upon this clew Kelly arrested Irvis Davis, whom he believes is the guilty party. Davis is now in jail with a charge of burglary against him and Kelly is congratulating himself upon the success of his first case for his new "boss."

Obituary.

Emma I. Page was born near Winnipeg, Canada, August 16, 1860, and died in South San Francisco, California, January 4, 1907, aged forty-six years, four months, eighteen days. Her death was caused by a stroke of paralysis, January 3, from which she never recovered. When but a small girl she, with her parents moved to San Jose, California, where she spent most of her girlhood days.

On March 29, 1882, she was united in marriage to Mr. Frank Du Bois. Four children were born to them, three sons, Frank, Fred and Bert, and one daughter, Justine, who all live to mourn her departure.

At an early age she identified herself with the Methodist Episcopal Church and during her whole life was a true and conscientious Christian worker, always ready to hear and minister to the sorrows of others, and ever ready to do and give what she could to make others happy. At the time of her death she was one of the most active workers of St. Paul's M. E. Church in South San Francisco and did much toward building the present church edifice.

Her presence will be greatly missed and there will, for a long time be sorrow in the hearts of her friends and relatives, that she is with them no more.

Her last remains were followed to the cemetery in San Jose by a large number of friends where she was laid away in her eternal sleep.

Departed this life Tuesday, January 8th at the ripe age of four score years Catherine, the dearly beloved wife of John Quan, and beloved mother of William P., and Patrick Quan and Mrs. Catherine Farrell. The funeral was held from the late residence of the deceased in this town on Saturday, January 12th and from thence to the Catholic Church, where at 9:30 A.M. a requiem high mass was celebrated for the repose of her soul. Mrs. Quan was a most devout and exemplary Christian and a lifelong member of the Catholic Church. She was a fond and loving wife and mother, and as a neighbor beloved by all who knew her.

DIVIDEND NOTICE.

For the year ending December 31, 1906, this bank has declared a dividend on all savings deposits at the rate of three and one-half (3 1-2) per cent. per annum, payable on and after January 2nd, 1907.

Dividends not drawn will be added to and bear the same rate of interest as the principal.

SANTA FE FREIGHT RUNS AWAY

S. P. Owl and Overland Trains and Santa Fe Passenger Delayed

Bakersfield, Cal., Jan. 11.—At five o'clock yesterday morning an extra eastbound Santa Fe freight train broke in two at Rowan, a small station near the summit of Tehachapi mountain and the rear section composed of 16 cars, two "hog" locomotives and a caboose dashed down the steep mountain grade to a curve a short distance from Bealeville, where all but five cars and a locomotive are now heaped in a monster pile of twisted steel and splintered timbers.

So far as known no one was killed. From Rowan to Bealeville is a distance of nine miles and down this grade the track is covered with frost and ice, the heavy runaway train made the distance in the terrifying time of six minutes.

The slumbering inhabitants of the mountain town were awakened by the deafening roar of the flying cars and the crash when the speeding runaway hit the curve.

A search through the wreckage failed to discover any bodies, all of the trainmen on the runaway section having jumped for their lives when it was found useless to attempt to stop the cars.

The Southbound Owl and regular Overland Southern Pacific trains, the morning Santa Fe passenger trains and all eastbound freight trains are being held in the yards here.

Wreckers and wrecking crews have been sent out from Kern City and Mojave and it is expected to have the track cleared sufficiently by midnight to allow trains to move.

POWDER EXPLOSIONS

THREE THOUSAND POUNDS OF NITRO-GLYCERINE EXPLODE AT POINT ISABEL, CAL.

Berkeley, Cal., Jan. 11.—The separating room and wash house of the Vigor Powder Works were blown into the bay yesterday morning by a terrific explosion of two charges of nitro-glycerine amounting to about 3,000 pounds. One man was killed. Edward Smith, aged 30 years, who lived on Hearst avenue in Berkeley near Sacramento street. He was the only man in that building at the time, and not a vestige of him remains.

The superintendent, N. L. Nelsen, had a narrow escape. The damage done amounted to about \$7,000, \$6,000 representing the value of the separating room and wash house, and \$1,000 the damage to the other buildings of the works.

The slight damage to the rest of the works is explained by the fact that the buildings are all bulk-headed, so that it is very nearly impossible for the full shock of an explosion to travel beyond one building.

This is the first explosion that has ever occurred at the Vigor station of this powder company, known as the E. I. du Point de Nemours Powder Company.

There were no other casualties. The shock of the explosion was felt in all parts of Berkeley and it was believed by some to be an earthquake.

The company is not able to account in any way for the explosion, and its cause will probably forever remain a mystery.

Holidaysburg, Pa., Jan. 11.—The plant and buildings of the Standard Powder Company at Horrell were destroyed by an explosion yesterday. No lives were lost. The explosion was caused by a fire which started in one of the buildings. The damage done to the wrecked plant will exceed \$100,000.

Two houses a mile distant were wrecked by the explosion, which was heard at a distance of twenty-five miles.

Mauna Loa Crater Spouting Flame.

Honolulu, Jan. 11.—The crater on the summit of the volcano Mauna Loa broke out at midnight. The eruption forms a magnificent spectacle, which is visible for a hundred miles at sea.

JAPS SECRETE RICE IN HAWAII.

Have Stored Away Enough to Feed Entire Population Eight Months.

Honolulu, Jan. 11.—The Japanese of Hawaii have secreted enough rice to feed the entire population of the islands for seven months. There are fully 8,000 more Japanese men in Honolulu than there were a year ago, and the vast majority of the Japanese who have returned to their homes during the last year have been women and children. The significance of these facts has caused the situation here to be regarded with much gravity.

The strategic importance of having a large food supply in Hawaii in the event of hostilities is apparent. The return of women and children to Japan, which the authorities report, is also noteworthy, especially in view of the recent arrivals of Japanese troops in the guise of coolies.

So secret have the methods of the accumulation of rice been kept that even Chinese dealers are ignorant of the real situation, and claim that the importation of Japanese rice has ceased because of the increase in the demand for Hawaiian-grown rice during the last year.

WATCHING HARRIMAN

WILL TRY TO KEEP MAGNATES FROM LEAVING JURISDICTION OF BOARD.

Chicago, Jan. 11.—The attorneys who are conducting the investigation into the management of the Harriman lines for the Government announced yesterday that they had determined to take steps to prevent E. H. Harriman, H. C. Frick and H. H. Rodgers from leaving the jurisdiction of the Interstate Commerce Commission. In order to prevent this, steps will be taken to continue the issuance of writs of ne exeat, by authority of which they will be compelled to remain within the jurisdiction of the commission.

James H. Hyland, traffic manager of the Chicago, Milwaukee & St. Paul, was the first witness yesterday. He said the Union Pacific and Southern Pacific railroad companies were formerly competitors for Pacific Coast business.

Mr. Hyland declared that since the consolidation of the Union Pacific and Southern Pacific, his road had experienced greater difficulty in handling certain classes of freight.

On cross-examination he was asked by Attorney Milburn if the consolidation itself was the cause of the increased difficulty. He replied: "Yes, sir."

"How does it work against your line?"

"The greater part of the business I have mentioned goes by the Southern Pacific and is, I presume, deflected in that direction in order to make a longer haul than would be the case if it went by the Union Pacific."

Bishop Montgomery Called by Death

San Francisco, Jan. 11.—Archbishop Montgomery died in this city yesterday afternoon following an operation for appendicitis in a local sanitarium.

Archbishop George Montgomery was one of the best known Catholic prelates in California. The Pope offered him the archbishopric of the Philippines, but this he declined. He was well known all over the world because of his scholarly attainments and devotion to the church.

Cardinal Gibbons ordained Archbishop Montgomery in Baltimore, December 20, 1879, and he was consecrated bishop and coadjutor to Monterey and Los Angeles by Archbishop Riordan in St. Mary's Cathedral of this city April 8, 1894.

Dreadnaught to Cross the Sea.

London, Jan. 11.—The British battleship Dreadnaught is about to take a cruise across the Atlantic which will take her to West Indian waters about the time Rear Admiral Evans' squadron will be in the same vicinity, thus affording the American officers an opportunity to see the latest marvel in naval architecture. The purpose of the cruise is to test the seaworthiness of the battleship during the worst of the Atlantic season and also to test her batteries under adverse sea conditions.

DOINGS OF PEOPLE AT SAN BRUNO

SAN BRUNO PARK, Jan. 11.—The Tanforan Athletic Club gave its regular weekly dance at the Tanforan Hotel last Tuesday night at which about fifty guests were present. Refreshments were served and all enjoyed a general good time until about two o'clock when the dance broke up. A free buss was run both ways from South City and many people from there attended the dance. The club meets for athletic sports every Thursday evening, followed by a dance on Tuesday evening.

E. T. Tucker returned from Nevada City where he has been visiting friends for the past few weeks.

J. Ryan, ex-manager of the Tanforan Hotel, is visiting friends in the eastern part of California.

Miss Florence Lloyd has returned from Halfmoon Bay where she has been visiting friends.

A. A. Walsh and family have returned from Petaluma.

J. Custer has given up his business in San Francisco and is now an agent for Hensley, Green & Co.

Fred Shear is expected home from Palm Springs shortly, where he has been for the past few weeks for his health.

Sam Shear is visiting friends in Palm Springs.

JOURNEYMEN BUTCHERS TO GIVE A GRAND BALL

Widows and Orphans to Benefit by Dance in Metropolitan Hall.

The Journeymen's Butchers are to give a grand ball for the benefit of the widows and orphans of their deceased members, in the Metropolitan Hall, February 2. The Order is the oldest of its kind in the town, and those who are acquainted with the class of dance and entertainments given by them in the past need no further guarantee of a general good time for the coming event.

The matter is now in the hands of a committee composed of Peter Lind, Mike Guerra, John Alameda, George Walters, and Jessie Monice, who are to report at the next meeting when the other committees will be appointed.

Cuba Rejoices Over Treaty.

Havana, July 11.—The signing of an extradition treaty between Cuba and San Domingo has brought joy to the Liberals. They say this is of great political significance, as the first international act by Cuba since its administration by the United States, and indicates that the United States has no intention of not complying with its promises to re-establish the Cuban republic.

Lodz' Chief of Gendarmes Killed.

Lodz, Russian Poland, Jan. 11.—Colonel Patko Andrieff, Chief of the Gendarmes of the Lodz District, was shot and killed this morning on Poldniowa street. A passing infantry patrol fired a volley at the assassin, but only wounded several innocent persons. The assassin escaped.

Third Son Wants the Throne of Shah

London, Jan. 11.—A dispatch from Teheran says that the Shah's third son has raised an army of 10,000 men in Luistan in the hope of capturing the throne. The dispatch adds there is little prospect of his success, although it may cause a great deal of trouble.

Meets Death in Baggage Car.

Chicago, Jan. 11.—Mrs. Edwin Harry Smith, of Denver, died in the Union Station yesterday, just after being removed from a train, in the baggage car of which was her husband's remains.

It was believed the arduous and bad duty of bringing the body at 2 o'clock across the continent that it might be buried in Baltimore, their home city, was too much for Mrs. Smith's strength and in Chicago she, too, succumbed.

The train which she intended to take for the East bore two coffins instead of one when it left in the afternoon.

NEWS FROM THE STATE CAPITAL

MANY MATTERS OF INTEREST BEFORE THE STATE LEGISLATURE.

Governor Gillett Accepts Pardee's Appointments of Judges of the Circuit Courts.

Sacramento, Jan. 11.—The members of the State Legislature were in their seats promptly at 10 o'clock and order was rapped for shortly afterwards.

In the assembly the report of the committee on rules and regulations was read and adopted.

A list of 27 names was added to the present roll of employees and attaches.

At 10:30 an adjournment was called.

It was 11:10 o'clock before the Senate convened. President pro tem Wolfe rapped for order and roll-call followed. A short prayer was then delivered by the chaplain.

Lieutenant Governor Warren Porter addressed the Senate in a few words, in which he stated his desire to be on good terms with each member.

An additional list of appointments were read and adopted.

The Senate then adjourned.

Gillett Accepts the Pardee Judges.

Sacramento, Cal., 11.—Governor Gillett late yesterday settled the question of the legality of Pardee's appointment of Hosmer, Crow and Denny to the Superior bench by announcing that in his opinion they were not only all commissioned according to law, but were well qualified for their positions.

"I would not think of disturbing any of these appointments," said Governor Gillett. "If there were any question as to the legality of their commissions I would appoint them over again. But I don't think there is any such question, and they are all excellent men. Judge Hosmer is a particularly good appointment. There is no truth whatever in the story that I intend to name different Judges."

Employers' Liability Bill.

Sacramento, Jan. 11.—One of the important bills to come before the Legislature during its present session will be one known as the "Employers' Liability Bill." This measure will be introduced in the Assembly by W. F. Lemon of San Bernardino county and will be given all the powerful backing of the Order of Railway Conductors. Assemblyman Lemon himself is a conductor.

The bill is plainly aimed at railroad companies. It is an exact copy of the Massachusetts statute covering the same subject, and is in line with a bill put through Congress during the last session at Washington.

Plans for Pure Food Campaign.

Sacramento, Jan. 11.—Among the Senators who will begin the pure food agitation as soon as routine matters are disposed of is H. S. G. McCartney of Los Angeles. His bill, which has the endorsement of the entire delegation from the southern city, aims more particularly to prevent the manufacture or sale in California of food products or medicines, the labels of which are not a true index of the contents. The measure is based on the South Dakota law.

Want to Close Race Tracks.

Sacramento, Jan. 11.—There can be no question that Assemblyman John M. Eshelman's announced intention of introducing a bill to close the Emeryville race track is viewed with alarm by the men interested in the racing game. Every hour intensifies this unusual situation, unusual because seldom is there any considerable interest taken in a measure until it makes its appearance and its full meaning is made certain.

TO HIDE LUKESH'S DISGRACE.

Effort Will Be Made to Have Medical Survey Bring in a Report.

Vallejo, Cal., Jan. 11.—A medical survey has been called upon Paymaster George Martin Lukesh, U. S. N., the officer who is now confined aboard the prison ship Manila under arrest, while he sobers up from a protracted spree.

If a survey held upon him results in a report being made of "chronic alcoholism," he can be condemned and dropped from the Navy without the publicity of another court-martial.

Officials at Mare Island feel that this station has attained altogether too much notoriety during the past year and they have hardly recovered from the shock which they experienced when scandalous stories were brought to light at the court-martial proceedings of Edward H. Dunn last August, proceedings which resulted in the Lieutenant being dismissed from the service. For this reason they are particularly anxious to keep any further offenses of officers which may result in scandalous stories coming to light from the general public, and it is intimated that the medical survey has been decided upon with a view of getting rid of Lukesh without the necessity of a court-martial.

FELT MANY QUAKES

DISTURBANCES REPORTED AT MANY POINTS, BUT THE DAMAGE IS NOT GREAT

Williamsport, Pa., Jan. 11.—A series of shocks, evidently earthquakes, were felt and heard in this section early yesterday between 4:45 and 5:30 o'clock. Buildings shook so that families were awakened, and rumbling sounds were heard over an area of about twenty miles.

Baltimore Shaken.

Baltimore, Md., Jan. 11.—Several earthquake shocks were felt at a number of points in Baltimore county, north of this city, at about 5:45 o'clock, yesterday, according to reports received here. The shocks, while light, were distinct and lasted about fifteen seconds.

Two Shocks in Sweden.

Stockholm, Sweden, Jan. 11.—Two distinct and sharp earthquakes were felt in several places in Sweden yesterday. Dispatches from Avrika, Mellard and Stromstad report rocking of houses at those places, causing a hasty exodus of the alarmed inhabitants.

Norway Feels Shock.

Christiana, Norway, Jan. 11.—Two severe earthquake shocks were felt here yesterday, accompanied by rumblings like thunder. The disturbance caused considerable alarm, but no damage was done.

BODY BURNED BY BLACK HAND.

Charred Remains of an Italian Found in Woods.

New York, Jan. 11.—The body of a man, burned beyond recognition with kerosene, was found yesterday in a patch of woods at Guttenberg, N. J. There is little doubt that the man was murdered and that he was an Italian. It is supposed he was the victim of the so-called "black hand" letters. Coroner Schlenn thinks that the man was killed elsewhere and his corpse was taken to the spot where it was found and these burned. Near the body stood a can holding a little kerosene and a wallet containing a little change and a silver watch and chain. A few feet away was the arm of an overcoat and a charred cap and an old vest. The chief of a band of gypsies looking for some strayed horses found the body.

Gaspipe Thug Found Guilty.

San Francisco, Jan. 11.—John Siemsen, the gaspipe thug and murderer of the Japanese banker, H. Munakata, must hang. The jury yesterday brought in a verdict of murder in the first degree in twelve minutes. Siemsen received with calmness the announcement of the decision. Sentence will be passed January 15th.

MAKES ATTACK ON LAND ORDER

SENATOR CARTER SAYS ACTION OF SECRETARY HITCHCOCK IS NOT LEGAL.

Government Will Not Aid to Check the Colorado Break—Court Cannot Stop Irrigation.

Washington, Jan. 11.—Senator Carter presented a resolution yesterday which he said he should at an early day try to show that the Secretary of the Interior acted without authority when he published an order on December 18th last prohibiting the issuance of land patents to homestead entrymen under all laws, regardless of the conditions.

"I intend to make it plain to the Senate," said Carter, "that the order was illegal and unwarranted and was issued and is being prosecuted in violation of the law, and that the records of the Land Office show that the issuance of the order is wholly indefensible."

The resolution expresses the sentiment that a qualified entryman, in the absence of contest or fraud or mistake, is legally entitled to a patent for land embraced in his entry.

The Colorado River Break.

Washington, Jan. 11.—The President will advise Congress against doing any work or expending any money to amend the break in the Colorado river bank unless the development company, now controlled by Harriman, shall give up its rights, in which event the Government may repair the break and supply the settlers with water from the Yuma irrigation works.

At present all the land and water in the Imperial region is under the control of the development company, which built the irrigation works, and which, it is claimed, is now closely allied with Harriman.

Court Cannot Stop Irrigation Project

Washington, Jan. 11.—The Court of Appeals has sustained the decision of the Supreme Court of the District of Columbia that it had no jurisdiction in the case of the Irrigation Land and Improvement Company against the Secretary of the Interior for an injunction restraining the Government from irrigation work in Yuma county, Arizona. The irrigation company contended that it has gone to great expense in building dams on the Colorado river and was prepared to furnish water to settlers of the Yuma valley, and that the rival irrigation service by the Federal Government meant confiscation of its property.

To Protect Antiquities.

Washington, Jan. 11.—Steps have been taken by the Secretary of War, Secretary of the Interior and the Secretary of Agriculture to carry out the provisions of the act for the preservation of American antiquities, approved June 8, 1906. It has been arranged that jurisdiction over ruins, archeological sites, historic and prehistoric monuments and structures, objects of antiquity, landmarks, and other objects of historic or scientific interest shall be exercised.

Under the rules adopted by the Executive Committee no permit will be granted for the removal of any ancient monument or structure, which can be permanently preserved under the control of the United States and remain an object of interest. Permits for the examination of ruins, the excavation of archaeological sites and the gathering of objects of antiquity will be granted to reputable museums, universities or other recognized scientific or educational institutions or to their agents.

Lauck Reappointed Adjutant.

Sacramento, Jan. 11.—Governor Gillett has reappointed General J. B. Lauck to the position of Adjutant General.

FRATERNAL ORDERS.

F. O. E.

South City Aerie, No. 1473, Fraternal Order of Eagles, installed its officers for the ensuing term, Wednesday last. The reports of the retiring officers showed this branch of the order to be in a flourishing condition. The membership roll contains the names of 140 members in good standing with 15 applicants to be acted on.

Grand District Deputy Brother Frank Lawlor was master of ceremonies, assisted by Brothers B. Plymire and Harry Edwards.

The officers for the term are: Senior Past President, Bro. Frank Lawlor; Junior Past President, Harry Edwards; Worthy President, Thos. Mason; Worthy Vice President, W. P. Acheson; Worthy Chaplain, Harry Styles; Worthy Secretary, T. C. McGovern; Worthy Treasurer, M. Haines; Worthy Conductor, E. Bazley; Worthy Inside Guard, J. Butler, Jr.; Worthy Outside Guard, Andrew McGlone; Physician, Dr. H. G. Plymire; Trustees—G. Wallace, W. Moore and J. Gallezzi.

The new officers, having taken their respective positions, then came the feast of reason and the flow of soul and a jolly time it was.

I. O. R. M.

Tippecanoe Tribe, No. 111, Improved Order of Redmen, raised up its elective officers for the ensuing term at its last tribal meeting as follows: Prophet, F. Murray; Sachem, Harry Edwards; Senior Sagamore, J. Sullivan; Junior Sagamore, Con Reardon; Secretary, Geo. Eeseling; Treasurer, M. Clutz. Around the banquet table the many Chiefs present related the early struggles of the tribe, the difficulties overcome, and became enthusiastic when the present proud position of the Tribe was referred to, with its 100 members on the roll, and upward of \$2000 in the wampum belt.

U. A. O. D.

On Sunday next, January 13, '07, a Circle of Druidesses will be organized in the lodge hall, Metropolitan Building.

The Grand Arch Druidess, Maria Bauman, with the officers of the Grand Circle have arranged to leave Fifth and Market streets, San Francisco, on the 12 o'clock car, therefore should reach South City at 1:30. It is requested that all applicants be on hand not later than 2 P. M., at which time the drill team will commence instituting the Circle. Already 25 names are entered on the application for charter, therefore success is assured from the start. Ladies desiring information regarding the Circle may meet the Grand officers on their arrival Sunday, or may obtain same from any member of the order in South City.

HARRY EDWARDS,
Senior Past Arch, Golden Gate Grove,
South City.

N. S. G. W.

Redwood Parlor No. 66 Native Sons of the Golden West held its installation of officers at its last regular meeting. District Deputy J. Fitzgerald was the installing officer, assisted by several members of the local lodge. Those who were installed are: Junior Past President, A. S. Ligouri; President, H. C. Offerman; First Vice President, Oscar Comper; Second Vice President, Ludwic Weider; Third Vice President, Gus Mullen; Inside Sentinel, Fred Stalter; Outside Sentinel, Ralph Stothers; Financial Secretary, J. J. Johnston; Recording Secretary, Chester Lovie; Trustee, G. P. Hull.

I. O. O. F.

Bay View Lodge No. 109, I. O. O. F., held installation of officers in Redwood City last Wednesday night, at which time the following officers were seated: Past Grand, E. B. Fox; Noble Grand, H. W. Lampkin; Vice Grand, A. Nelson; Treasurer, L. P. Behrens; Chaplain, S. Berry; Right Supporter, A. Frazier; Left Supporter, Lee Pipkin; Right Supporter to Vice Grand, Wm. Hammer-son; Left Supporter to Vice Grand, C. Dellen; Outside and Inside Guards, Fred Glennon and P. Peterson.

Office on Linden Avenue near Bank.

SATURDAY JANUARY 12, 1907

THE action of Governor Gillett in standing by the judicial appointments of Governor Pardee made at the last moment, will add lustre to the fame of Governor Gillett. In strong contrast with the honorable action of Governor Gillett is that of the State Senate of California, in refusing to have Governor Pardee's message read, and ordering it filed and printed.

The majority in the Senate by this boorish act have simply confirmed the estimate in which that body is held by high-minded and decent citizens. Governor Pardee has filled the office of Chief Executive with credit to himself and with honor to California. The slight of the State Senate cannot detract from the glory of Pardee, but put that body in a pitiable position.

BEFORE the recent general election the politicians of the Republican and Democratic parties became possessed with the idea that the "direct primary" reform was of paramount importance to the dear, easily-deluded electors of the State of California. When the delegates, Republican and Democratic, were duly assembled in State Convention the political managers and bosses, caused to be inserted in the respective party platforms of both said parties, an unqualified declaration in favor of a direct primary system for California.

Everybody felt satisfied. Both political parties had decreed the death and doom of the political boss in California.

The election is over and State officers are in for four years. Now the men who are to make the laws and make or break their anti-election pledges are pleading all sorts of technicalities and looking for an opening big enough to crawl through to escape the anti-election promises of their parties.

The Japanese influx and the school segregation in San Francisco are to be made the subject of special consideration by the Senate in behalf of organized labor, which is anxious to definitely settle all the disputes that have arisen over the matter of State supremacy by the recent message of President Roosevelt.

Senator George B. Keane has announced that he will stand by the Japanese and Korean Exclusion League and as soon as that body can frame the proper bill he will do his utmost to have it passed by the Senate. In this move Keane will be supported by Senator Edward Wolfe who declares that if a bill of some kind affecting Japanese does not go through at this session of the Legislature he will submit resolutions upholding the campaign of the Japanese and Korean Exclusion League.

BOARD INSTALLS NEW MEMBERS.

Supervisors Meet and Elect Coleman Chairman to Succeed Himself for the Next Term.

The change of the old Board of Supervisors to the new organization Monday was not without pleasant features. The old board convened at the usual hour during the forenoon and cleaned up its affairs before the noon time. When the clock struck 12 the clerk announced the hour of dissolution had arrived. Chairman Coleman declared the board adjourned sine die. The holdover members remained in their seats. Mr. Coburn the retiring official vacated his desk which was taken by D. E. Blackburn, his successor. Mr. Schaberg, the clerk made way for the new clerk, J. F. Nash, and the latter called the board to order and announced that nominations were in order for chairman. Eikerenkotter nominated Coleman, Mac Bain seconded the nomination and Coleman was chosen unanimously. Mr. Coleman responded with a neat speech in which he thanked the members for the honor shown him. He hoped with their assistance to make a satisfactory presiding officer.

Coburn on retiring said a few words of farewell to the members, thanking them for the many favors shown him during his term of office. He then introduced his successor who spoke briefly and asked that the same consideration be shown him as was shown his predecessor. Eikerenkotter move, and it was carried, that a vote of thanks be extended to Mr. Coburn, the retiring supervisor and to H. W. Schaberg the clerk who had ably reported the proceedings of the board for many years.

Mr. Schaberg responded and then introduced his successor who said that he fully realized the importance of the work that devolved upon him. He hoped he would fill the office with the same success that Mr. Schaberg had. The board proceeded with its business.

The following liquor dealers whose applications were filed a month were granted licenses:

First Township—Jos. Millitt, Colma; bondsmen, Geo. Wight and Phil O'Malley. Clark & Ford, Millbrae; bondsmen, D. E. O'Keefe and J. V. Swift. Geo. M. Collopy, Colma; bondsmen, John Pool and Geo. W. Lovie. John E. Rodgers, Colma; bondsmen, Thomas Harrison and James P. McMahon. Thad Huber, near Ocean View; bondsmen, A. Hess and P. J. Foley.

Second Township—P. L. Archibald, Belmont; bondsmen, B. F. Yount and William Bement.

Fourth Township—Manuel Lewis, Halfmoon Bay; bondsmen, M. V. Nunes and John Francis.

Fifth Township—McCormick & Wickle, Pescadero; bondsmen, A. Weeks and C. Bradley.

The following dealers gave notice of intention to apply for licenses a month hence:

First Township—W. R. Markt, San Bruno road; Satori & Violette, South San Francisco; John A. Gillan, Colma; I. Poket, near Ocean View; John Clifford, Colma; Berlinger Bros., South San Francisco; P. G. Lynch, San Bruno; C. T. Conley, South San Francisco.

Third Township—Cavalli Bros., La Honda; Thos. Fitzgerald, Menlo Park.

Fourth Township—Thos. F. Quinlan, Halfmoon Bay.

Fifth Township—Frank Montevaldo, San Gregorio.

Mr. Henery, of the firm of Clark & Henery, who had a contract from the county to construct a bridge at Portola, stated that he had been compelled to allow his time to elapse on account of his inability to secure material. On motion of MacBain, Mr. Henery was released from his contract and his check returned to him.

Morey & Sons were granted an extension of one month on their bridge contract at Millbrae.

A petition signed by a number of citizens of Pescadero was read, asking the appointment of J. A. McMeehan to the office of justice of the peace of the Fifth township. It was explained that the petition was the result of a misunderstanding, as it was supposed that Arthur McCor-

mick, the regularly elected justice, had not qualified. It was received and filed.

W. L. and Chas. P. Cooley petitioned for and were granted permission to repair their deep-water wharf at Ravenswood which had been damaged by the recent storms.

A communication from the Hillside Freeholders Club, an organization of residents near University Heights, was received, calling attention to some faulty places in the roads in that neighborhood. The communication was referred to Supervisor MacBain.

Contracts for county farm supplies—Basquette Drug Company, Drugs—Basquette Drug Company, San Mateo, \$30.70.

Clothing—Clare-Metzgar Company, San Mateo, \$129.30.

Groceries—Levy Bros., San Mateo, \$1,120.10.

Prunes—J. K. G. Winkler, Woodside, 4 cents.

Meat—V. B. Scanlan, San Mateo, at the following prices: Hindquarters, 7½ cents; forequarters, 6 2-5 cents; check, 4 cents; plate or brisket, 4 cents; mutton by carcass, 9 cents; forequarter mutton, 9½ cents; mutton stew, 7 cents.

The superintendent was authorized to buy shoes for the inmates and the fuel and feed in the open market.

McDonald & Dean, architects, recent arrivals in San Francisco, sent a communication asking that the time for receiving plans for the new Court House be extended one month as they desire to enter the condition. It was found impossible to delay the matter and the Clerk was directed to notify the firm that the plans must be ready by the 21st instant.

The building committee was authorized to make needed repairs on the County Farm building.

The following business was transacted by the old board previous to the noon hour:

Geo. F. Chapman, manager of the United Railroads, appeared in response to the board's summons to explain why the County Road in the first township had not been placed in good order where the Company's track had been changed. Mr. Chapman was granted one month in which to report on the matter.

Mrs. Julia Knapp, of Pescadero, was granted \$5 per month to assist in the support of her two half-orphaned grand children. Mrs. Margarite Amaral of the third township was allowed \$8 per month for the support of two children. Frances P. Nolan, of Portola, was granted \$8 per month, he being unable to support himself.

Hall C. Ross presented proof to show that the population of the Second Township was over 3000 on which an order was made fixing the salary of the justice of the peace and constable of that township at \$75 per month.

J. J. Bullock presented a map of El Mar Beach tract at Halfmoon Bay which was accepted and filed for record.

Card of Thanks.

I wish to thank the public for its liberal patronage during the past year and kindly solicit a continuance in the future. I am now prepared to carry a larger stock than usual and patrons, both old and new, will find the same courteous treatment at the hands of my clerks.

Now that I am located in my new store I will commence talking business to you. Watch new ad next week, in fact there will be something new every week.

J. L. DEBENEDETTI. It
Harry E. Styles is now installed in his new office in the Martin building on the north side of Grand avenue, where he will be pleased to attend to any business that is in his line.

During the last few days and for over a week rain has been falling in this place, making our streets and highways miniature rivers. This has been an unusually long, cold, rainy spell, for this section of the country, and has caused a great deal of unfavorable comment as to our climate. While we have been having some very disagreeable weather, yet compared with our sister cities and the surrounding country, we are indeed fortunate.

The library in the Methodist Church has been re-opened with a complete set of new books which arrived from the State Library at Sacramento during the early part of the week. All those who have library cards can secure the latest books by applying at the church any evening between 7 and 8 o'clock. A free reading room is also run in connection with the library where the public can spend a few pleasant hours every evening.

At the present time the mountains are covered with snow from San Jose to Mount Tamalpais. In some places the snow line has extended down into the valleys, while the weather has been unusually cold. Although we have had a great deal of rain and some cool weather, taking it as a whole the climate of South City and this peninsula compares very favorably with other places of this coast.

The Carnations of Redwood City will give their second grand ball in the Alhambra Hall in that city on January 26. Excellent music will be furnished by the Redwood City Orchestra and a general good time is guaranteed. The committees who have the matter in hand are the floor committee, B. Sheehan, manager, assisted by D. Flynn and F. Maloney. The committee of arrangements are J. Ludwith, H. Werder and James Kerr.

MUTUAL BUILDING AND LOAN ASSOCIATION HOLDS MEETING

Vote is Unanimous to Raise Rate and
Adopt Plan Similar to
Other Orders.

The South City Mutual B. & L. Association met Thursday evening at 8 p. m. in the directors room in the Bank of South San Francisco.

The resignation of M. E. Gluckeman, as secretary, was accepted and F. A. Cunningham was appointed to take his place until such time as a regular secretary would be appointed. Harry E. Style was also elected attorney for the association.

The discussion of rates came up and it was unanimously voted to raise the rates on loans and adopt a plan similar to that of the San Mateo Co. B. & L. Association. The meeting adjourned until Saturday night, January 12th, at which time a meeting will be held in the postoffice building to further discuss ways and means of furthering the interests of the association.

NEW ARMOUR HOUEL IS NOW IN COURSE OF CONSTRUCTION

Building Which Contains Twenty-
Eight Rooms Will Be Ready
in About Six Weeks.

For the past month carpenters have been busy moving and repairing the Armour Pavillion and converting it into a first-class hotel. When completed it will be one of the best hotels in town, with all modern conveniences.

Under the new plan the building will contain twenty-eight rooms, with baths, barroom and large commodious dining rooms. Every effort will be made to have this finished in first-class style. This new hostelry is for sale or rent and will be ready for occupancy in about six weeks.

SUPERIOR COURT NOTES.

Ella B. McEvoy has applied in the Superior Court for letters of administration upon the estate of Stanley McEvoy who died at Menlo Park on December 21st. The estate consists of cash in the Palo Alto bank amounting to \$791.34 and horses and wagon valued at \$550.00. The entire estate is valued at \$1341.34.

Estate and Guardianship of Patrick J. Ferrieter et al, minor. Order made appointing John Ferrieter guardian with bond fixed in the sum of \$400 for each of said minors.

Estate of Emilia Silva, deceased—petition for letters of administration, continued to January 10th.

Estate of Geo. O. Luce, deceased, petition of Catherine Luce, for letters of administration continued to January 10th.

Estate of R. J. Knapp, deceased. Hearing on return of sale of real and personal property further continued to January 10th.

Estate of William Norrington, deceased. Hearing on settlement of final account of Margaret Norrington further continued to January 10th.

St. Paul's Methodist Episcopal Church (Cor. Grand and Maple Aves., one block from Post Office.)

Regular Sunday services—Preaching at 11:00 a. m. and 7:30 p. m. Sunday School classes for all ages at 10:00 a. m. Epworth League of C. E. at 6:30 p. m. Prayer meeting Wednesday at 8:00 p. m.

The public is made cordially welcome at all of our services.

"A home-like church."

ROBERT J. CRAIG, Pastor.

Entertainments, Literary and Physical departments. Public concerts announced monthly. Reading room and State traveling Library open each evening to the public from 7 to 9 o'clock. Lawn tennis court under construction.

COMMITTEES IN CHARGE.

Ed. La Rue the popular proprietor of the Elite Tonsorial Parlor will soon be established in the attractive and commodious quarters being fitted up for him in the Martin Block on Grand Avenue. These new quarters will amply accommodate a growing patronage in comforts and conveniences. Hot and cold baths have been added to the service of this first-class shop. tf

REDWOOD CITY NOTES IN BRIEF.

Doings of the People in the County
Seat Received by Special Correspondent of The Enterprise.

REDWOOD CITY, CAL., Jan. 10, '07—Claude Fox, Deputy County Clerk, has been absent from the Courthouse this week with a case of blood poison.

There was a joint installation of the Woodmen of the World and the Women of the Woodcraft Thursday night. It was a very enjoyable affair, good things having been provided by the ladies.

The parsonage of the Episcopal Church is being remodeled and put into condition for the new pastor, Rev. H. H. Powell, who will soon assume charge.

Rev. McClatchy preached his first sermon as pastor at the Methodist Church Sunday. Mr. McClatchy is a Harvard graduate and will, without doubt, draw good audiences.

Clarence Maynard, of Halfmoon Bay, was appointed jailor by Sheriff Chatham on Monday.

Among the visitors at the county seat Monday was W. J. Martin, of South City.

Geo. W. McIntyre, principal of the Menlo Park Grammar School, has accepted the position of principal of the South City school to succeed W. R. MacDonald who was elected to the position of teacher of physics and chemistry in the Auburn High School. Mr. McIntyre is an efficient teacher and will do good work in his new position.

J. L. Debenedetti has let the contract for a new store on his lot at the corner of Cypress and Grand avenues.

Rodgers & Hawes are rapidly completing the new front in the Martin block, which promises to be an honor to the contractor as well as a decided improvement for the city.

Mr. John Cavallo, who made a flying trip to Los Banos last week, promised his friends a treat in the way of wild ducks, and while promises of this kind are seldom kept. Mr. Cavallo made good by distributing over 100 ducks among his friends. We trust the same good luck may attend all of his hunting expeditions.

NEW OFFICERS REPORT FOR DUTY.

Herman Schabery, The Retiring Clerk, is Presented with A Silver Service.

On Monday last the newly-elected county officers took their seats and the old ones marched down and out. With a few exceptions the officers are the same, the principal changes being the offices of the Sheriff, the County Clerk and Coroner and Public Administrator. In addition to these few changes a number of township offices were filled by new men.

H. Schabery

An unusually pleasant event occurred in the superior court last Saturday in which a high compliment was paid to Herman Schabery, the retiring clerk, by the members of the bar both of this county and San Francisco. In addition to the good wishes of the court and attorneys which were most cordially expressed Mr. Schabery was the recipient of a beautiful silver service, which came as a recognition of his faithful services to the court and attorneys.

Judge J. M. Allen, of San Francisco, who made the presentation speech, spoke most glowingly of the courtesy and geniality shown by Mr. Schabery to the members of the legal profession with whom he had come in contact, and of his conscientious attention to the duties of his position. It was a pleasure, said the judge, for the lawyers to have dealings with one upon whom they could so thoroughly rely as well as a saving of time and trouble to the busy counsel. Mr. Schabery was completely surprised, and as soon as he recovered briefly thanked Judge Allen and the members of the bar who were present.

Judge Buck, from the bench, supplemented the remarks of Judge Allen by saying that Mr. Schabery had lightened the duties of the court in many ways, and because of his knowledge and accuracy the court depended upon him in regard to the details in matters of court procedure. Judge Buck also said he felt that the retiring clerk was entitled to the thanks of the litigants who had appeared in court, as by honesty and fairness he fully protected their interests in the matters which passed through his hands.

The service presented to Mr. Schabery is of solid silver and consists of a coffee urn, teapot, cream pitcher, sugar bowl, spoon holder and a tray of old English oak and silver.

Mr. Schabery has been in the Clerk's office for a number of years, four of which he has been principal. During these years he has established a record for care and painstaking, and his obliging manner has done much to lessen the care of the busy attorneys who had occasion to visit the Clerk's office.

J. H. Mansfield.

J. H. Mansfield retires from the Sheriff's office with a record that is the envy of the majority of the sheriffs of California. To him is credited some of the most important arrests in the history of the county and through his strategy some of the most desperate criminals in the State have been placed behind the bars of the penitentiary.

Having served seven years as under sheriff under the late Sheriff Phil McEvoy, Mr. Mansfield was duly qualified to take charge of the office upon the death of that worthy officer and for the last nine and one-half years has been elected by the citizens of the county.

During his term of office Mansfield personally made the arrest of four desperate criminals who later suffered the death penalty and several others who received life in the penitentiary. Although offered several good positions in the different detective bureaus as he will now return to private life and in the spring will go to the gold fields of Nevada.

Robert S. Chatham will now take up the work left off by Mansfield with Frank Bartlett of San Mateo as under sheriff and Clarence Maynard as jailor. Under Sheriff Henry Butts retires to take up contracting while

the ever popular Pete Kelley takes a new position as railroad detective.

James Crowe.

James Crowe, who retires from the office of Coroner and Public Administrator, has proven himself one of the most efficient officers the county has ever had. Ever careful and industrious he has kept his accounts straight and the many large estates handed by him during his eighteen years as Public Administrator have not only reflected much credit upon him, but also upon the county which he represented.

Having crossed the Isthmus of Panama in 1868, Mr. Crowe at once came to San Mateo county where he became a contractor and builder. In this capacity he helped to erect the Ralston building at Belmont and other buildings of prominence throughout the county.

In the latter part of 1868 he engaged in the undertaking business and eighteen years ago he was elected to the office from which he is now retiring. He will continue in the undertaking business.

Mr. Crowe is prominently known in church and lodge circles, and is now a member of the Masons, K. of P., I. O. O. F., the Redmen, and the Workmen. Mr. Crowe resigns his place to Dr. H. G. Plymire of this city.

E. E. Cunningham.

"Full many a flower is born to blush unseen,
And waste its sweetness on the desert air."

Significant as these lines are and appropriate as they might seem as applied to a township office or its occupant, shut off from the turmoils and activities of the great political world, there is a flower which is in our midst and has been for the last fourteen years, the fragrance and sweetness of which has "not been wasted on the desert air."

To the mere visitor or casual observer it might seem as though the many kindly acts, the strict enforcement of law and justice, the fearless prosecution of crime, and the conscientious performance of his duties by Ex-Judge E. E. Cunningham were unnoticed

and had fallen on barren soil. But this is not so.

Deep down in the heart of every man, woman and child of this community, with whom he has come in contact, is a sincere respect and grateful affection for the Judge.

On Monday, January 7th, he retired from the office of Justice of the Peace—an office which he has held with credit to himself and honor to the community for the last fourteen consecutive years.

Many a man can remember on how very many occasions he has been befriended by the Judge, and how his smiling countenance, kind and courteous demeanor lightened the burdens of life's journey.

Rigidly honest and just in his dealings, the cause of the weak and defenseless was his always, but at the same time villany, oppression and crime received a fair and impartial hearing.

It has been stated by the Hon. Judge Buck, of the Superior Court of this County, that never yet has he reversed a decision by Ex-Judge of the Peace, E. E. Cunningham. This of itself speaks volumes for the able and efficient manner in which he has conducted his office.

Judge Cunningham was appointed to the office of Justice of the Peace fourteen years ago, and for three successive terms has been re-elected.

The office of the Justice of the Peace is an exceedingly trying one, it being an office in which one can with difficulty avoid making enemies.

The fact that Judge Cunningham has been re-elected three times in succession is highly indicative of popularity.

This is not the Judge's first debut on the political stage.

Having served with honor to himself and his country for four years in the great civil war, he at the end of that war came out as a first lieutenant, and on his return home to Nebraska was elected State Senator at the age of 31 years. Later he was appointed Surveyor-General of the State of Nebraska.

While in the very zenith of political power in the State of Nebraska he came to California and shortly afterwards located here in South San Fran-

cisco, and ever since has identified himself with every movement which would advance the interest of the community and benefit his fellow citizens.

In conclusion we can say that there is, and rightly should be, a tender spot in the heart of every citizen of South San Francisco for Judge E. E. Cunningham. May he live long and prosper greatly.

A SUBSCRIBER.

Born.

Thursday evening, to the wife of Michael Herrera a daughter. All doing well.

SWEED RYAN DIES SUDDENLY

AT THE VERANDAH HOTEL

Jury Returns Verdict, After Investigation, of Death from Natural Causes.

Sweed Ryan, a foreman working at the Selby works, was found dead in his bed at the Verandah Hotel last Saturday morning. Judge Cunningham summoned a jury and after an investigation a verdict of death from natural causes was rendered.

Ryan was just getting over a prolonged spree which led to several fainting spells and his friends believed he was on the road to speedy recovery. Ryan was born in Sweed and after coming to this country changed his name. His true name is not known, as he always went by the name of Sweed Ryan.

The town lot immediately east of Grace Church has been acquired by the Guild for the church. This will give the church property a frontage of 100 feet on Grand avenue. A roomy and modern residence will be erected on the newly-acquired lot as soon as there is promise of greater facility in obtaining building material. This building will then be rented until such time as the parish has need of a rectory. Grace Guild is one of the happiest and most enterprising organizations in the church on the coast. The way they get results is a marvel and this last result is but an example of many.

The Great IMPERIAL ENCYCLOPEDIA and DICTIONARY is now Complete

TWENTY-EIGHT THOUSAND PAGES

SEVEN THOUSAND ILLUSTRATIONS

FORTY VOLUMES

EIGHT REASONS WHY YOU SHOULD OWN THIS WORK

FIRST—It is the most modern Encyclopedia in the English language.

SECOND—It is the only great Encyclopedia that is issued in handy volumes (5x8 inches, weighing 2 pounds each). There is no possible reason for publishing Encyclopedias in great bulky volumes, weighing from 6 to 8 pounds, as is the case with all the older Encyclopedias. This work is issued in the most convenient size, each volume being light enough to hold in the hand during consultation.

THIRD—It includes within its one alphabetical arrangement not only an exhaustive Encyclopedia of universal knowledge, but also an unabridged dictionary of the English language.

FOURTH—The introduction of derivation and pronunciation, neither of which has heretofore been given by any Encyclopedia. The value of this feature and the modern character of this work will be easily appreciated.

FIFTH—It covers a far greater range of topics than is covered by all other Encyclopedias, each topic being systematically subdivided, thus facilitating consultation, and an extended scheme of cross-references being added, assures the satisfactory development of such topics as may be sought.

SIXTH—This work is absolutely free from partisanship and sectarian bias.

SEVENTH—Following the dissertations of important topics are given extended bibliographies by which the reader may enlarge his studies by reading if so inclined. The bibliographies of authors are given, also precise records of the work they have published.

EIGHTH—Aside from the 7000 line drawings, which are inserted as an aid to the text, there are scores of full-page portraits of the greatest men of history.

Former Prices Prohibitive

Heretofore the best Encyclopedias have been put on the market at abnormally high figures, ranging from \$80 to \$120—prices which only the very rich could afford to pay. In order to overcome this obstacle, the Pacific Newspaper Union has made arrangements with the publishers of the New Imperial Encyclopedia for an entire edition of that splendid work, which will be distributed to the public at about the actual cost of manufacture and on terms within the reach of every income.

Direct From Binder to You The Co-operative Plan

In entering upon this great educational enterprise, the Pacific Newspaper Union acts as a purchasing agent, representing both the publishers and the public. On account of our immense purchasing and distributing powers, we are able to guarantee the sale of a very large edition. The plan is to distribute it by means of a great Co-operative Club, which will entirely eliminate all middle profits. Complete sets are shipped direct from the binders to purchasers. As a result of this great saving, those who join the Club are able to secure this newest and best reference library at a price heretofore unheard of in the annals of publishing.

HOW TO GET A SET

It is impossible in this limited space to describe the plans and purposes of the Club and the plan of sale whereby members may have the complete Encyclopedia delivered to them at once, and pay for it at the rate of a few cents a day. If you are interested, write to-day for full particulars. Do not put it off until to-morrow; to-morrow may be too late. Only one edition has been contracted for, and when it has been distributed no more applications will be received. This Club was organized for your benefit. No one will be to blame but yourself if you do not get an Encyclopedia now while the opportunity is here. Tear off the coupon and mail it to us to-day. An opportunity like this may never occur again in your lifetime.

What It Means To You

The possession of this great Encyclopedia means a great deal to you and your family. It is the most important set of books you could possibly purchase, as it gives you complete and definite information on every subject—history, science, geography, politics, religion, commerce, philosophy, etc.—written in words that all can understand. Any one can get a liberal education out of a good Encyclopedia.

For the children it answers every question that comes into their inquiring minds; for older people, it serves as a complete home university, supplying the latest and most authoritative information on every subject.

Not Hard to Read

THE NEW IMPERIAL ENCYCLOPEDIA differs from other reference works previously published in that its articles are not technical, or hard to read, but are written in a simple, clear and interesting manner. The aim of the editors was to eliminate so far as possible, all minute details and weighty opinions, giving all the facts, but the facts only. The advantage of such a work is that it will be read and enjoyed by every member of the family.

TO MANUFACTURERS

The earthquake did but little damage to South San Francisco. The industries located here, the Western Meat Company, the Wool Pullery, the Butler Brick Company, the Pacific Jupiter Steel Company, the Steiger Pottery Works, the W. P. Fuller White Lead Works, and other enterprises, are all in full operation to-day. Not one of them having suffered any serious impairment by reason of the earthquake.

The South San Francisco Land and Improvement Company planned South San Francisco as a manufacturing suburb of San Francisco. With that object in view they originally purchased 3500 acres of land in San Mateo county on the bay front five miles south of the City of San Francisco, and have developed their property so that to-day they possess perfected nearly every feature desired by manufacturers.

SOUTH SAN FRANCISCO

Is a railroad terminal; it is on the main line of the Southern Pacific Railroad and accessible to all railroads; has deep water communication; owns and operates for its industries, a railroad connecting with the Southern Pacific and the water front; has electric street car service from factory to town and direct to San Francisco; has an Electric Light and Power Company; owns an independent water works, and has an abundance of fresh water for factory and house; has wharves and docks; a perfect sewerage system; a bank; a town hall; and a population of 3000 people; an extensive and fine residence district, where workingmen may secure land at reasonable prices and on favorable terms, as homes for themselves and their families.

FACTORY SITES

Can be obtained from the South San Francisco Land and Improvement Company on most reasonable terms.

The American Smelting and Refining Company recently purchased from this Company 200 acres of land and are on the ground to-day arranging for the immediate construction of a plant costing upward of \$5,000,000. This means a vast increase in population, and a great augmentation for the benefit of all industries of every detail pertaining to rail and water communication.

For Manufacturing Purposes South San Francisco Has No Equal on San Francisco Bay.
